Meeting was called to order at 5:00 p.m.

Project Update: The Planning Director reviewed ongoing Town projects including the Ninja Trail, Rail/Trail, Kocher Drive bike/ped improvements, Benmont Avenue bike/ped improvements, Applegate path, School Street improvements, Property Maintenance Ordinance, etc.

2016 Work Plan Update: The Planning Commission and Planning Director discussed the status of the 2016 Work Plan. It appears that the Planning Commission is on track to complete the projects in the work plan.

Annual Review of Town Plan: The Planning Commission discussed whether or not an annual review of the Town Plan would be beneficial. After much discussion, the Commission agreed that an annual review would be helpful and that the Planning Director should prepare a report to share with the Select Board at a joint meeting between the Select Board and Planning Commission.

The meeting was adjourned.
